**FOR IMMEDIATE RELEASE**

### **MAUI ZEN DAY SPA SUPPORTS FUTURE WEST MAUI HOSPITAL AND MEDICAL CENTER**

April 21, 2009

LAHAINA, MAUI -- Maui Zen Day Spa today announced a pledge of financial support for the West Maui Hospital and Medical Center project.

Every Saturday from now through June 30, 2009, 10% of all gross proceeds will be donated to the West Maui Improvement Foundation to help cover ongoing administrative costs.

“It is an excellent opportunity for us to back an organization working for the health and well-being of West Maui residents,” says Maui Zen owner Virginia Lacker. “This fits in with our mission to provide top quality yet affordable massage and wellness services to both residents and visitors to West Maui. There is also a generous challenge match during this time period to really magnify the fundraising efforts. We invite the West Maui community to join us in supporting this project.”

Clients and supporters can call the Maui Zen Day Spa at 808-661-7200 to make an appointment for any Saturday through the end of June.

For more information about the West Maui Hospital and Medical Center project please visit <http://www.westmauihospital.org>.

#### **About Maui Zen Day Spa**

Maui Zen Day Spa is a serene retreat in the heart of Lahaina, offering therapeutic massage, organic facials and face and body waxing. Enjoy top quality massage and facials without the resort prices. Serving both local residents and visitors in this location since 2007. For more information please visit <http://www.mauizen.com>.
